Program Brief

Department of computer science in Association with Technical Association for Cyber Streams (TACS) organized a webinar on the topic **“How to become a competent programmer”** on **22th May 2022**. The session was handled by **Mr. FasilPaloli, entrepreneur** co-founder of Osperb Innovation.

The objective of the workshop was to learn basics of Website Development. The participants in this webinar will be able to create a website and comprehend the fundamentals of website design, which will help them advance their programming skills. Session conveyed ideas and concepts of website development in a very informative and interactive way of teaching by the speaker. The webinar was very helpful and effective

Coordinators

1. Mr. Sufyan P, Assistant Professor, department of CSE, MEA EC.
2. Mr. Mohammed Salih A K, S8 CSE.
3. Mr. Muhammed Mufeed, S8 CSE.
