# " Tech Tales: Voices That Inspire "

## - *Panel Discussion*

# 1. Introduction to Skill Day

**_Skill Day_**, celebrated on 15th July, is a day to remind students how important it is to learn new skills. In today's world, just having book knowledge is not enough. We also need skills like communication, teamwork, leadership, and problem-solving to succeed in life and at work. The goal of Skill Day is to encourage students to grow by learning both technical and soft skills. Events like workshops and panel discussions help students understand how to improve their abilities and learn from others' experiences. Skill Day also helps students discover what they're good at and what they need to work on. It teaches that learning doesn't stop after exams—it continues through everyday experiences. This day motivates everyone to keep learning and getting better, step by step.

# 2. About the Event

The panel discussion titled **"Tech Tales – Voices that Inspire"** was held on **15th July 2025** from **3:35 PM to 4:20 PM** at the **CSE Seminar Hall**, as part of the Skill Day celebrations. The event was organized by **TACS MEA**, with the participation of enthusiastic **2nd year CSE students**. The session was conducted under the guidance of **Mrs. Rajeena M.**

The discussion brought together five active student leaders from TACS as panelists : **Muhammed Anas** (Student Coordinator), **Jasmine** (Assistant Student Coordinator), **Nihal K** (Technical Team Lead), **Vasif Abdulla** (DevTACS Team Lead), and **Muhammed Basim** (Program Committee Lead). Each of the panelists shared their personal experiences, covering a range of topics including how they started their journey in technical and leadership roles, the mistakes they made along the way, how they overcame challenges, and the skills they developed through hands-on experiences and active involvement in student activities.

The session was moderated by **Riya Fathima**, Secretary of TACS, who guided the discussion with thoughtful questions and smooth transitions. Her handling of the session helped maintain a relaxed yet purposeful atmosphere throughout.

# 3. Program Outcomes

1. Communication Skills
   Students gained insights into how effective communication and teamwork are essential for both academic and professional success.
2. Lifelong Learning
   The session encouraged students to keep learning beyond the classroom by joining communities, exploring projects, and developing new skills continuously.
3. Leadership and Teamwork
   Listening to the panelists' real experiences helped students understand the value of leadership, time management, and working in teams.
4. Modern Tool Usage and Technical Skills
   Panelists discussed the importance of working on projects, coding, and staying updated with modern tools, motivating students to sharpen their technical abilities.
5. Professional Ethics and Responsibility
   Emphasis was placed on taking initiative, being responsible in volunteer roles, and contributing meaningfully to teams and the student community.

# 4. Financial Summary

| SI No | Item | Estimate Amount (INR) |
|---|---|:---:|
